## Cute and Cosy

Once inside this unit you immediately feel the relaxed and cosy atmosphere that it has to offer. This unit has a brand new kitchen. The kitchen and lounge are open planned while the bedroom is large with your own built in wardrobe.

Plenty of cupboard space makes this suitable for either a single or couple with separate pantry and robe to the laundry also. A small enclosed area at the back of the unit could cater for storage but with the clothesline being located here it also means you can still dry your clothes in the rainy weather.
