

Move Into The Valley...

Available with vacant possession or to re-lease to great tenants, is this lovely 3 bedroom brick veneer home with study/or separate dining situated on cul de sac in the popular Hidden Valley area. Great chance to move to a great location.

These solid ex Argyle style homes can easily be renovated to give a more modern feel and the quiet neighbourhood makes for a great spot for a family with young children. With the ample block size of approx. 901 sqm there is plenty of room to put in a pool, or even a bigger shed than the current garden shed in place

Internally the home has a mix of tiled and carpeted floor coverings, with built in robes to each bedroom and ample storage cupboards. The kitchen and dining space is separated from the living area and overlooks the rear yard via a window and double sliding doors. Split system air conditioning and ceiling fans are throughout property for cooling.

An undercover entertaining area currently offers a quiet place to sit back and relax in the outdoors enjoying the well-established garden surrounds. To the front of the block there are well established lawns and garden beds and there is a storage room off the undercover carport to keep the garden tools and tovs.
